

It's that time again

October 2013 Report

Please Pray for Us

We are prepping for our upcoming November trip to Uganda. I'm sending you the itinerary (over) so you can post it somewhere to remind you to keep us in your prayers.

This trip marks the first time we will train leaders in Rwanda. Pray the team on the ground does a good job preparing the ground for us. After Rwanda we drive into Uganda at the southern border and do another first training in Kabale and then on to Mbarara for two sessions—one at the Uganda Bible Institute and another with the Pastor's Fellowship. Then it's off to Kampala for two more trainings. In between we will be at Treasured Kids School meeting with all your wonderful sponsored children and also traveling to the farm. Our hope is to make final arrangements for drilling a well to support the work there. Yes—it will be a busy time again! :-)

Kigali, the capital city of Rwanda

Meeting with the leaders in Kabale

Pastor Elisha holding the chicken we were given as a gift for coming to visit. Pastor Emmanuel looking intently and yes that's me driving in the front seat!
